Write to us	Virgin Money Investments and Pensions PO Box 24204 Edinburgh EH3 1JP

Your new account number

You currently have an account number starting VIR, which you'll see at the top of your letter.

As part of the changes, you'll get a new account number starting VM. You'll see this when you sign in to Online Service for the first time. We'll also send you a letter after we've made the changes to confirm what this is – but you can still use your VIR number in the meantime if you need to get in touch.

Direct Debits

Your Direct Debit will have a new reference, beginning with your new account number, which you'll see on your bank statement. Your bank may comment on the first payment under the new reference.

Just so you know, our new Service User Number will be **190025**. This is our unique code that allows us to take payments. If you start or change a Direct Debit, you might see it on any letters we send you – but it's not something you need to remember.

Here's your new Direct Debit guarantee:

This guarantee should be retained by the Payer.

The Direct Debit Guarantee

- This Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits.
- If there are any changes to the amount, date or frequency of your Direct Debit, Virgin Money Unit Trust Managers Limited will notify you 8 working days in advance of your account being debited or as otherwise agreed. If you request Virgin Money Unit Trust Managers Limited to collect a payment, confirmation of the amount and date will be given to you at the time of the request.
- If an error is made in the payment of your Direct Debit, by Virgin Money Unit Trust Managers Limited or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society.
- If you receive a refund you are not entitled to, you must pay it back when Virgin Money Unit Trust Managers Limited asks you to.
- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.

Your statements

With the changeover, you'll get a final statement for your old account in mid-February that will cover 1 November 2023 to 6 January 2024. You'll then start getting a new style statement twice a year – just after your birthday and again six months later. For example, if you were born on 1 December, we'll produce your statements on 1 June and 1 December.

If your birthday is between 8 January and early February, or 8 July and early August, you'll get your new statement before your final one.
