We need you to complete all sections and provide signatures in the Fraud Warning Declaration section.

Check that you're not being scammed

- Before you go ahead, we want to make sure that you're not being scammed.
- Fraudsters can be very convincing - they may pretend to be us, the police or another trusted organisation before trying to steal your money.
- If you have any doubts or are being put under pressure to make this payment, please stop and let us know – we're here to help.

Take Five To Stop Fraud. Take a look at these questions before sending any money.

Please provide a response in each box when you have read the information:

		Yes/No
Are you being told what to say to us?	Virgin Money employees or the police will never ask you to move money to a 'safe account' or give you a story to use.	
Are you being rushed or pressured into making this payment?	Fraudsters will try to make you panic or threaten you with a penalty if you don't pay straight away.	
Have you met the person you're paying face to face?	Take a minute to think about how well you know the person you are paying and if they are who they say they are.	

Please make sure that you're happy your money is safe before making this payment – unfortunately, it's unlikely you'll get it back if it goes to a fraudster.

Fraud Warning Declaration

I'm happy it's not fraud and I'm ready to make this payment.
